## **Pre-weekend Material**

**Greetings!**

**I am glad to be one of the first to welcome you to CrossRoads 2007. The following page will help you know what to expect and provide some things to think about before you come.**

**I look forward to meeting you!**

### **Entering the Weekend**

Know that our hope is that you enjoy the weekend. We want to make it a place for us to ask, reflect and struggle through questions of faith around this person of Jesus. We will present material about his life and death, the significance and its relevance to life. Our hope is that when you leave you will have a clearer picture of him and his heart for the world.

### **Questions for Reflection**

Although you are not required to fill-out these questions before the weekend, they will better prepare you.

1. Do you have any religious background and does it mean anything to you today?
2. Have you ever had what you would call a religious experience? What was it like?
3. Do you think there is a God? What do you think God might be like?
4. What have you done with the spiritual part of you life?
